Overview

Audrey thrives on helping clients navigate challenging circumstances and she is motivated by the opportunity to serve others.

Before her time at the firm, Audrey completed a clerkship in Marion, SC, an internship in Charlotte NC, and an externship in Columbia SC, working alongside various judges researching and drafting memoranda for complex cases. She also worked at a law firm in Pennsylvania, gathering experience with complex medical cases, drafting appellate briefings, and attending regular court hearings. Prior to this, she was a former prosecutor in Virginia where she gained experience litigating criminal cases.

Audrey grew up frequenting Hilton Head Island with her family, something she still does today. She also enjoys spending her time when she is not working hiking, swimming, and diving into a good novel.
