Kristin began her law practice at a firm in northern Wisconsin. She joined Hedrick Gardner as an associate in 2013 focusing on workers' compensation before practicing for several years at a clinical research organization. She rejoined the firm in 2021 where she continues to focus her practice in the area of workers' compensation.

During law school, Kristin received two CALI Awards for the highest class grade and won first place in the Legal Writing Society competition. She also received the Louis Andrew Law Scholarship based on academic merit.

When she is not practicing law, Kristin enjoys reading, knitting, baking, playing piano, and playing with her miniature schnauzer, Pippin. She loves travel and is continually searching for new and exciting places to visit. As a Wisconsin Native, Kristin and her husband are proud stock owners of the Green Bay Packers and enjoy cheering them on every fall.
